## **All Laser Lipo is Not Created Equal**

*SLIMLipo will revolutionize the way liposuction is done.  
And just in time for summer!*

Given her ten years of experience performing liposuction and her extensive laser background, Dr. Hamilton has been selected by Palomar Medical to be a physician trainer for their new laser liposuction technology. The new SlimLipo laser will revolutionize the way that liposuction is done. Dr. Hamilton is the first physician in the Atlanta area to have this laser available.

## **Our Office Blog**

Welcome to Atlanta Dermatology, Vein & Research Center. We tried to come up with a fancy name rather than the overused term "blog" but nothing else seemed to fit. We even spent some time with the online thesaurus finding words like sentiments, thoughts, views, opinions, rants... but everything sounded a little cheesy. So, welcome to the first official post of our practice's blog.

## **Instant Results with Evolence**

Evolence marks the newest collagen injectable to be approved by the FDA. The new technology means that there is no need for a skin test and results will last for at least 6 months. Additionally, there is a lower frequency of swelling compared to current hyaluronic fillers which means that downtime is dramatically reduced. [Click here to read more and see before and afters!](#)

We want to thank you for being a part of our practice

Sincerely,
